The Word of God[1] on the Feast of the Ascension of the Holy Cross
The celebration of the garden of Paradise at Maluri village

Now, here, My humility is comprising Me between heaven and earth and hiding My radiance concealing My Being and the glory that is accompanying My day of celebration of My memories on these sweet lands from the time of the seventy years of My word at the end of time, when My name carried Me from edge to edge and divided Me with My new coming from the Father to men, and behold, I am enveloped in this name, in this word, in My new name: **the Word of God, the name of Jesus Christ at the end of time. Amen**. (*Apoc: 19/13*)[2]

My glory on this day includes in it the retinues of saints and angels in the air here, before dawn seated in celebration above the garden of paradise at Maluri village, the place where I began to trumpet My word over the earth in the year 1955, from My first coming from the Father to men, and I fulfilled on earth this chapter of Scripture: **My coming with the saints,** (*1Thess: 3/13; Jude: 1/14; Apoc: 19/14.*)[3] **the coming of the Son as King, the Father with the wedding of His Son on the Romanian land, the Bridegroom and His bride in the Romanians, I, the Word of God, I and the heaven**, I and you for seventy years, and behold, the day of remembrance includes in its glory the celebration together of heaven and earth, of those who live in the heavens alongside you now on earth with a sweet Romanian celebration, and its joy does not include in it the words that are flowing to Me towards you, those who woke up before dawn and prepared yourselves for the wedding and you have set out on your way to the place and day of My celebration, for I, the Lord, have announced to you and called you, and behold, we are spending sweet moments, and everything is written by the angels among those in heaven, and on earth My people are writing, you are writing, oh sons of the citadel of My word on the land of the Romanian nation. The Lord is saying to you, after your long and hard labor in preparing this glory, **peace to you is saying the Bridegroom of the wedding, Jesus Christ!**

Oh, and peace to you, peace from heaven upon you, those who have come to the celebration of Me and My seventy-year word on earth here! In this city is God with His word work on earth. I am waiting for man to be Mine, to want this and for others to learn from him the love for God.

I am examining your feelings that have set you on the path to the source of My word, and I feel your love for Me and for the glory of My word, which is filling the Romanian land with unseen glory. Oh, feel My expectation and longing for man, for you, those who seek Me. I would take you into My Spirit, into My life, for you have your life to carry and take care of. Those who serve My coming word on earth here, these no longer have their own life and have Mine to carry, to take care of and give Me to all, they do not give themselves, and they rather place **only My word on the path to you.**

Oh, be strong in faith! I speak to man, because I miss him. I choose good sons from among men, I give them a new creation and I caress them with the word to make them happy, to raise them as Mine, so that they may carry My Being between earth and heaven. I speak to them constantly, I chirp My word over them like a bird perched among the branches of the trees around them, and they gather the word of My mouth and make it known, and such is My work with them.

If the birds of the sky give their speech and singing to each other, staying covered among the green twigs and branches, how can I, the Lord, not release My speech between Me and man, after man has put Me out of the way of his life to be his own master?

I chirp like a bird hidden in clouds of glory and I give My word and the speech of My mouth contained in the word. I have ascended with you on Tabor and you are shining through the glory of My word and through the wedding garments with which you have adorned yourselves for the celebration of My day, the seventieth anniversary of Christ on Romanian land. Be sweet, be bowed down with great faith, for the Lord is speaking to you. Make yourselves small before Me, for I greatly humble Myself to come and leave My speech upon the earth.

I am comforting you on this day of My celebration between you and those in heaven, with whom I have arrived for the celebration, between you and the angels, between you and the saints of the Lord, between you and the ancient Romanian Christians, now seated separately among the heavenly hosts who have arrived for the celebration here.

For seventy years I have longed for such heavenly comfort with such a source of word for man, so that I may have him Mine again, in My glory to have him as in the beginning when man was My comfort, My rest, My and My Father's peace.

Oh, be strong with faith in My word if you have heard My call to come to My table, for **satan has here now his whole army ready to empty you of the power and love that helped you believe those from God, for you have come to meet Me**, beloved, and where two or three are gathered in My name, I am with them, but where there is only one I am not, because God does not work like that, it is not like that. I am with those who believe from Me, oh, and God is warm with the faithful and He is sweet with them.

Many will love Me with longing and restlessness from now on, for the way is being opened for love and it goes towards people, placing them towards My source of word, with the blessings of these lands of My memories of a hundred years of spending My word among the faithful at My beginning in the year 1955 with them, and then with those after them and until today, when I have as servants the little people, the youngest of My love in these days on earth, and **here is the wedding day and the wedding shirt, the Romanian shirt of thin linen, the glory of the Romanian nation, My shirt and theirs, the wedding shirt, the days of My wedding, oh, and all those who from now on will dress in the Christian shirt will be called Romanians and will have a wedding garment.**

I have asked you to come and sit at My table today, dressed in the Romanian shirt, in the ancestral costume of the Romanian, and **here is a great mystery, the land of My wedding, My wedding table on the land of the Romanian people, and the wedding garment is the Romanian shirt, and My coming and My wedding, the wedding garment and everything is Romanian spoken in the language of the Romanian people, and all peoples will learn to speak Romanian**, all those who love and will love My coming word on earth, and they will approach the land of My love, the citadel of My word, from where I, the Lord, share My word of coming and its trumpeting everywhere, from border to border, from edge to edge, from soul to soul, for **eternity is coming, which encompasses everything in its word, in the sweet language of Jesus Christ, the Bridegroom of the wedding, and there is nothing sweeter speak like this language,**

with which I, the Word of God, spoke at the creation of the world, and again now, when this language is gaining its completion from the beginning, connecting the end with the beginning and bringing new creation, when the Lord is speaking in Romanian and saying that it is done. Amen. (*See the selection topic: „Romania – The New Jerusalem – The New Canaan*[5] *", r.n.*)

Oh, bow down to the language from the beginning of creation, you, nations and languages of the earth, for Babylon is falling with all its languages, which are confused among themselves, which divides, and do not unite, and their tower and their fate is the fall, and this Babylon is falling, as it is written, and **the nations of the earth are to learn the Romanian language** and the confusion of languages may fall, for at the time and day of the descent of the Holy Spirit, two thousand years ago upon the messengers of My word, from then on the language of the Holy Spirit was spoken over the earth, a single language, and again the languages were united then into one, as in the beginning when man spoke with God and when all living creation spoke the same language and thought and work.

I will speak more to you after the celebration is over. Be obedient now, and you will be able to hear the Lord with His word for His celebration among the saints and among the people, and now I am comforting you, embracing you like newborn babies and giving you My love and comfort.

The glory of the celebration is great now, here, the heaven above is in glory and it will be known with faith in the word that is speaking about it, about the heavenly glory of My seventy-year celebration of My word on earth, and which began in 1955 through My trumpet, Virginia from Maluri village, and she is standing in amazement now among the saints and giving Me a sign of her comfort, that this comfort over her is now great.

All is good and holy between earth and heaven now, here. I have cried out everywhere and proclaimed the feast, and those who heard and did not come will meet the news of this special joy and blessing and will sigh, because they were called and **did not come or prepare for the table with Christ.**

Blessed be all of the celebration, you and your feelings, you and the food you are tasting at My festive table, you and the joy of the celebration, and then in the film My one hundred-year history on this sweet Romanian land, I and My trumpet, Virginia from Maluri village, a chapter from Scripture, fulfilled on the Romanian land, Jesus Christ in the midst of this Romanian nation, the Lord and the glory of His word, I and My longing at most to come and be with people and to

spend time as in heaven among them, even more, even sweeter, with more longing, because longing has also moved to the end of time and is crying out on the streets and has a new name: The Word of God on the Romanian land.

And again, at the end of the feast My word is going to speak and tell the unseen things of this heavenly miracle and mystery at the Maluri, heaven and earth at the wedding table, God and man in heavenly communion on earth. Amen, amen, amen.
